Each of the cited publications is considered relevant or material to the patentability of the present invention in view of the citation thereof in said International Search Report.

Said International Search Report is in English and all of the cited publications are U.S. patents, thereby satisfying the requirements for a concise explanation of relevance.

STATEMENT UNDER 37 CFR 1.97(e)(1)

Each item of information contained in this Information Disclosure Statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the present Information Disclosure Statement. Said communication bears a mailing date of June 11, 2002.

STATEMENT UNDER 37 CFR 1.704(d)

Each item of information contained in this Information Disclosure Statement was cited in said communication from a foreign patent office in a counterpart application, and this communication was not received by any individual designated in §1.56(c) more than thirty days prior to the filing of the present Information Disclosure Statement.

It is respectfully requested that the attached publications
be considered and made of record.

Respectfully submitted,

RICHARD S. BARTH
